## MACS MEMBERS SELECTED FOR NATIONAL POSITIONS

by **Mary Tutalo**  
MACS Secretary

We all know that MACS is an organization that is run by volunteers, and that any organization is only as good as your volunteers. Volunteering for MACS is something that should make you feel proud but we have some MACS members that have taken it to the next level and not only should they feel proud, but every member of MACS is proud of them too. MACS past presidents, Vicki Morris Benion, and Roger DeLarco have been nominated for NACS Board positions.

Vicki Morris Benion, CCR, Director of the Bucknell University Bookstore has been nominated for President-Elect/Secretary.

Vicki began working for the Bucknell store in 1979 and was served as MACS president in 1996 – 1997. Vicki is a source of inspiration for us all, and I am sure she will continue to make us proud. Way to go Vicki!

Roger DeLarco, Director of East Stroudsburg University has been nominated for Trustee – East. Roger has worked for the University store for 28 years, and served as MACS president in 2001 – 2002. Roger has always used his knowledge and experience to help MACS keep moving forward, and I am confident he will do the same for NACS. We are so proud of you Roger!
